## ART GUIDE

Galleries: 57th Street

**"A SLOW TIME IN ARCADIA,"** George Adams, 41 West 57th Street, (212) 644-5665 (through Aug. 23). Any show offering the zany 70's-era watercolors of William T. Wily is worth visiting, and this one has some particularly fine examples, like the one depicting a creek-side campsite. With its details outlined in delirious detail and filled in with luminous colors, it resembles a hippie Tiffany window. This abbreviated double retrospective also presents delightfully funky, painted odes to natural and instinctual living by Roy DeForest (Johnson).
